

Introducing the first suction outlet rated at 206 GPM.

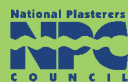

Compliant with the new Virginia Graeme-Baker Pool and Spa Safety Act (A112.19.8-2007)

Easily retrofits to existing 12" x 12" frame. Additional sizes also available.

Imagine an outlet cover that's a life preserver too. By meeting the new federal mandate regulations before anyone else, our Anti-Entrapment Suction Outlet Cover becomes the safest available. Don't wait until the year-end deadline to meet this higher standard, when you can start doing it right now. As a leader in innovation and safety, we're committed to providing you with the most advanced drain technology available.

- 12" square retrofit:
 - No need to drain pools
 - No pool down time
 - Conserves water
- Heavy duty ABS material
- Available in 8 colors
- Anti-entrapment flow rates: up to 206 GPM (floor); 96 (wall)
- Available sizes: 8" and 10" round; 9" and 12" square

★★ PROUDLY MADE IN THE USA
